Message from the President to the Classes of 1957:

My congratulations to all of you. You are completing a phase of your educational program which will award you with a Junior College Degree or a High School diploma. This is an achievement that represents much and is worth much to you. I know these have been happy years, and, I quote, "Days which make us happy make us wise."

Your completion of Junior College or High School gives evidence of character and stability. It has required of you intelligence, courage, and stamina. You have met these requirements and now you face the good fortune to look forward to a future with great possibilities and great promise. We are confident that these years in school will make possible for you a more effective response to life's situations.

We have faith in you and faith in the future, and because of our great faith, I would call upon you to perform in such a way that those who follow after us will look back and say that the young men and young women of the Classes of 1957 looked for opportunities and helped to make our world a better world. We cannot measure the demands upon you during the second half of this century, but we know that they will test to the utmost your capacities.

We want to wish for you the very best in every way. We hope your love for Jones County Junior College and A. H. S. will increase and that its ties cannot be easily shaken off. The honor and glory of this school lies in the graduates who exemplify her ideals of the good life. What you make of yourselves will help to determine what you can do for others.

We want you to return and visit with us as often as you can find it possible to do so. Our hopes and our prayers go with you.

Sincerely yours,

J. B. YOUNG

Dear Editor Thomas...

The photographs of your very lovely candidates for the beauty section of your 1957 NAUTICIAN reached my studio over the weekend and it certainly has been a pleasure to look upon your beautiful ladies.

Getting down to the serious business of making choices wasn't easy, believe me, but you must have a winner or it is no contest and I have finally made my selections. The pictures are marked and returned herewith.

I salute your Queen and her court with Greetings and Best Wishes to all!

Sincerely,
Milton Caniff
